Dear Alun

Date : 23rd November 2022

The Animal Welfare (Licensing of Activities Involving Animals) (England) Regulations 2018

Establishment Address: Barking Mad - Arrangers Licence

Following the inspection, we are pleased to award a **three year, five star Licence**. Please find your Licence enclosed. You will need to print the Licence and display it at the premises.

The star rating and length of licence have been reached taking into consideration the following:

- 1. A copy of your Risk Scoring Table is attached which shows a score of 16 for each host which, as an established business, places you in the low risk category of 17 or less.**
- 2. A copy of the scoring matrix is also attached, which is used to assess your star rating and the period of the licence. As you were able to demonstrate that you had met all of the required and more than 50% of the optional higher standards necessary to be placed in the higher standard section of the matrix, you are shown as having met the higher standards.**

Should you wish to appeal your star rating you would need, in the first instance, to write to us within 21 days of the date of issue of your licence, stating your reasons for the appeal.

Should you have any queries regarding any of the above, please do not hesitate to contact me on the above contact details, preferably between 09:00 am and 10:00 am.

Yours sincerely

Josephine Oak
Animal Welfare Officer
